18 Caseton Crescent

Uxbridge ON L9P1Z8

Profile

I am currently enrolled at the University of Toronto as a Computer Science student. I work well independently as well as a member of a team. I am responsible, well-mannered and intrinsically motivated. I execute all my assigned tasks to the best of my ability and I actively take constructive criticism to improve my skills and abilities. I hope to contribute to your workplace as a cheerful, enthusiastic, trustworthy employee.

Education

University of Toronto | Sept 2017– Current

Uxbridge Secondary | 2013 – 2017

Work Experience

Swim Instructor | Uxbridge Pool | September 2015 – June 2017

- Plan, organize and run classes for up to 6 children between the ages of 3 and 16
- Assess clients skills and abilities
- Write reports reflecting clients abilities
- Communicate regularly with parents about their child's progress in a polite, respectful manner

Course Maintenance Worker | Lakeridge Links Golf Club | June 2017 – Sep 2017

- Operated ride-on lawn mowers, trimmers and followed all safety guidelines
- Daily raking of sand pits and changing of holes
- As required, lay sod and top dress tees with topsoil and seed
- Maintain professionalism while conducting work in a shared environment with patrons

Programming Experience

- www.tbergeron.tech - A website where I host all my web related programming projects, which includes [JavaScript games](#) and physics simulations as well as [Unity](#) projects
- Curse of the Ancient One – A game made in the Unity Engine created in my grade 12 year
- [3D Ray-tracing Engine](#) built in JavaScript and hosted on my website

Skills

- Responsible, punctual, hard working
- Self-motivated, trustworthy, honest
- Customer service experience
